Sign in blood at the counter. Failure penalty: 10% of reward.

Reward	5 amethysts per party, paid on delivery
Deadline	Round trip + 50%, set by the clerk
Proof	Delivery receipt sealed by the Sanbi embassy
Rank	Amethyst (or a Pearl party led by one)

Contract signed in blood. Nullification clauses on the back.

AQUAMARINE QUEST · BAHYUM CONTROL

Bahyum: Mood Rising

Reward	4 aquamarines
Deadline	Before the mood reaches 6
Proof	Mood sign at 4 or lower, signed by the village watch
Rank	Aquamarine

Revival is guaranteed for bodies returned within the window. Ice them.

AMETHYST QUEST · BOUNTY

The Bagarisa Brothers' Recruiter

A recruiter for the Bagarisa Brothers vigilantes has been signing up farmhands to "punish bandits" outside Forway Law. Bring him to the embassy **alive**. Forway does not pay for corpses on this one.

Reward	1 aquamarine
Deadline	None, until someone claims it
Proof	The man himself, breathing
Rank	Amethyst

Vigilantes are criminals. So are adventurers who become them.

Take quests at your rank or lower · one rank higher if a party member holds it · revival debt takes its 50% first · posting a quest costs 1 amethyst

INFORMATION WANTED

HAVE YOU SEEN THIS MAN?

KOZAKU FORWAY

Boss of the Blue Wozens · born 931 A.G. · last seen: ages ago

If you've traveled between Forway and Sanbi, you've probably "donated" to his gang. Rumor says he fused with a **Walking Heart** and is now as strong as a Hifuna beast. Known associates: the **Big-Gyut boys** (Marcus, Clodoveu, Wilson). Gang badge: a blue square with a Wozen.

UP TO 5 SAPPHIRES

for confirmed information on his whereabouts, paid by any Forway embassy

Do not approach. Walking Heart carriers cannot be revived, and neither, usually, can the people who find them.

FORWAY NEWS

FREEDAY, MOACIR 12TH, 1042 A.G. **PRINTED AT THE FORWAY EMBASSY** **SAMPLE ISSUE**

Wagon Vanishes on the Sanbi Road

Merchants ask: were the guards in on it? A merchant wagon bound for Sanbi was found empty two days short of the Long Bridge. Its contracted adventurers reported to the Sanbi embassy that they were "overwhelmed by bandits." The merchant, who arrived the next day with a black eye, tells a different story.

The Sanbi embassy has opened an investigation. Merchants' guilds now ask for a **bond of 10% of the reward**, paid up front, on Cargo Protection contracts. "Adventurers on the Sanbi road are in on it," said one, who did not wish to be named.

Today's Castle Mood · Bahyum

1	2	3	**4**	5	6

ANGRY. Walking Skin packs raiding farms near Bahyum. Bar your doors. An Aquamarine quest goes up if it reaches 5.

Homeegg: Sanbi Wins Again

Princess Maiara's team took the finals for another year, carrying the ball to the nest on their third chance. The other four teams are reportedly "considering their options," which in Homeegg means buying better gels.

Courier Wingas Shot Down

Three courier Wingas have been shot down on the Waterfall route since Freeday last. Killing a Winga is a crime. Letters were missing from all three. An Amethyst quest is posted.

From the Embassy

Revival debt is 100 pearls per level, and 50% of every quest reward goes to Forway until it is paid. Fleeing your debt makes you wanted. Dying again while you owe drafts you into the Forway Guard. *Forway thanks you for your service.*

Forrday is a rest day. Embassies are closed to the public. Bodies may still be delivered to the side door.

Heard in the Lounge

· Poachers swear they saw a **living Fuhraies**.

· A gore-soaked figure in insect armor, **"The Stinger,"** was seen near a road again. Forway is curious, not hostile.

· A **new room** appeared in Bahyum Castle.

· Someone is selling **Walking Hearts** again.

· This year's **Black Magina** field is "somewhere warm."

· A Teefyro exploded near Tastyleaf and **left something** in the crater.

Classifieds (1 pearl per post)

LOST: courier Winga, blue, answers to "Feathers." Do not eat. Reward 5 pearls.

FOR SALE: bone-wood Picker, barely chewed. 8 pearls.

FOR SALE: clay ice preserver, slightly haunted. Best offer (Toleridemians need not haggle).

SEEKING: 3–5 adventurers for Lighthouse Duty at Cliffbay. Bring a fost lamp. Leave word at the counter.

WANTED: Minari players, Tollday nights. Bring your own statues.

NOTICE: the Long Bridge road "toll" is not legal. Report it; do not punish it.

CONTRACT OF CARGO PROTECTION

Under the Prosperity Treaty · witnessed at the _____ Embassy

The Poster _____ **Badge no.** _____

Cargo _____ **Declared value** _____

From _____ **To** _____ **Circles** _____

Reward _____ **Deadline** _____

1. The **Contracted Adventurers** below agree to protect the cargo, wagon, Eguas and passengers from the place of origin to the destination, and to deliver the cargo **intact**.
2. The **reward** is paid at the destination embassy on presentation of a delivery receipt sealed by that embassy. Revival debt owed to Forway is deducted first.
3. The **deadline** is the round trip plus half again. If the Contracted Adventurers are not back at an embassy by then, a search party is sent at their expense, and quest credit goes to the search party.
4. Failing the quest, or missing the deadline without good reason, costs a **penalty of 10% of the reward**.
5. Goods recovered from bandits are surrendered to Forway for investigation.
6. Harm done to the cargo, passengers or Eguas **by the Contracted Adventurers** is a breach of contract and a crime under Forway Law.
7. This contract can only be nullified by the clauses written on its back.

NULLIFICATION CLAUSES

Required by Forway Law on the back of every contract

This contract is **void**, with no penalty to either party, if:

1. The cargo turns out to be **banned or undeclared** (banned nari gels, Walking Heart stones, Koalin parts, stolen goods). The Poster then owes the Contracted Adventurers the full reward and answers to Forway Law.
2. The Poster **lied about the danger** of the route or the value of the cargo.
3. A **Kingdom Alert** or an **Emergency** is called along the route. The deadline is suspended until it ends.
4. The route becomes impassable by the judgment of the nearest embassy (a Bahyum Rampage, a flooded Long Bridge, a Sand Worm season).
5. The Poster dies or abandons the cargo. Delivering it anyway earns half the reward from the destination embassy.
6. Every Contracted Adventurer is declared **Soul Dead**.
7. Both parties agree, in front of an embassy witness, and both sign below.

THIS CONTRACT IS NOT NULLIFIED BY
Bandits · weather · cranky Eguas · getting lost · "we were overwhelmed" · a better offer from someone on the road · the Contracted Adventurers' revival debt · the Poster's personality.

To the ones guarding the wagon —

Two nights on, where the road goes narrow by the bridge, look for green smoke.
Put up a fight. Take a few bruises. Run off.
We take the wagon. You get thirty parts in a hundred of what's in it, paid in balls at the drop.

Nod to the kid if you're in.
Burn this.
